PROJECTS

Sprouting Youth Foundation, Founder & President

March 2020 - PRESENT

Started a 501(c)(3) non-profit organization that helps kids of all ages learn the basics of robotics, public speaking, and youth leadership skills

Blog, Extracurricular

October 2020 - Present

Writing blogs (<https://www.adarshmurug.com/blog>) that express my passion in the field of Philosophical and Cognitive Science.

EXPERIENCE

Sprouting Youth Gavel Club (affiliated to Toastmasters International), Founder and President

March 2020 - Present

Created a speaking club with my peers that focuses on and improve basic speech skills such as public speaking, conversational skills, and judging/evaluation skills.

FTC Blizzard Robotics, Club

September 2020 - Present

Designing and building a robot with an FTC robotics team. We have made it to a state level competition.

Humanist Global Charity, Internship

August 2020 - October 2020

Helped find people in need as an intern for the Humanist Global Charity. Received recommendation letter: <https://tinyurl.com/3k6ye72n>

Tutoring, Extracurricular

September 2019 - Present

Tutored elementary students Math and English. Received a thank you letter (<https://tinyurl.com/acczbr8a>) from one of the students

Coding, Python, C# (Unity), Pygame

March 2020 - Present

Taking a game development course to become a certified game developer. Taking courses in Python, Pygame, Java, C#, etc.

Tamil, Extracurricular

September 2019 - Present

Studying Tamil as a second language outside of school. (International Tamil Academy - <https://www.catamilacademy.org/>)

SKILLS

Public speaking (many certificates of recognition in school competitions, second place at Toastmasters competition, and created a teen toastmasters club)

Coding (Currently working on interfaces such as C#, python, and Pygame)

Multilingual (I speak English and my mother tongue, Tamil, fluently)

AWARDS

Humanist Global Charity

Best and most valuable intern of 2020
